August 11 - The Goyim Face Extermination

August 11, 2025

Jewish objectives as outlined in
Protocols of the Learned Elders of Zion:
1) Banish God from the heavens and Christianity from the earth.
2) Allow no private ownership of property or business.
3) Abolish marriage, family and home. Encourage sexual promiscuity, homosexuality, adultery, and fornication.
4) Completely destroy every thought of patriotism, national sovereignty, individualism, and a private competitive enterprise system.
5) Establish a one-world government through which the Jewish elite can rule the world. All other objectives are secondary to this one supreme purpose.
6) Take all prayer and Bible instruction out of the schools and introduce pornography, vulgarity, and courses in sex. If they can make one generation of any nation immoral and sexy, they can take that nation.
9) Circulate vulgar, pornographic literature and pictures and encourage the unrestricted sale and general use of alcoholic beverages and drugs to weaken and corrupt the youth.
10) Foment, precipitate and finance large scale wars to emasculate and bankrupt the nations and thereby force them into a one-world government.
11) Secretly infiltrate and control colleges, universities, labor unions, political parties, churches, patriotic organizations, and governments.

I had a mystical experience in Israel in 1970. God speaks to me. He speaks to everyone. We are under the control of religious fanatics who literally believe they can turn Reality upside down.
(i.e. Evil is good; ugly is beautiful; unnatural is natural, falsehoods are truth etc.) They are destroying the Old Order based on Christianity in order to create a worldwide dystopia based on the worship of Lucifer (Communism.)

God is Reality. *The universe is not empty.* It teems with Divine energy but we can't see this because God is Consciousness, *a spiritual dimension* where spiritual ideals (Love, Truth, Justice etc.) are self evident. Consciousness is Light streaming into a dark room after the curtains are opened.

The Jewish religion is defined by Cabalism. Cabalists (Satanists, Freemasons) seek to displace God and murder the faithful. The faithful are goyim (infidels) who refuse to accept Lucifer, including racial Jews. As in WW2, assimilated Jews are being set up for slaughter.

This is how insane things have gotten.

Russia Intercepts Adrenochrome Shipment From Israel Containing 'Blood of 10,000 Children' By Jonas E. Alexis, Senior Editor

According to a leaked report from Russian intelligence, an Israeli vessel carrying the largest adrenochrome shipment ever recorded was intercepted by Russian forces at the Tartus naval base in Syria. Destination? Hollywood, USA. The cargo was labeled as "medical humanitarian aid." But what Russian operatives found inside was anything but humanitarian. Sealed cryo-canisters, military-grade cold storage units, and vials marked with serial codes linked to black-site hospitals in war zones.

Putin's Adrenochrome Task Force briefed the Kremlin just hours after the bust. Early estimates say the batch was refined from the blood of at least 10,000 children--many allegedly harvested from the chaos of Ukraine, Syria, and Gaza.

"The Trump administration is seeking a $1 billion settlement from the University of California, Los Angeles, a White House official said Friday, after the Department of Justice accused the school of antisemitism and other civil rights violations. UCLA is the first public university to be targeted by a widespread funding freeze over allegations of civil rights violations related to antisemitism and affirmative action. President Donald Trump's administration has frozen or paused federal funding over similar allegations against elite private colleges. In recent weeks, the administration has struck deals with Brown University for $50 million and Columbia University for $221 million but has explored larger settlements, such as in its ongoing battle with Harvard University."

Patrick O'Carroll- Magicians Rely on Demons

THE REALITY AND DANGER OF MAGIC AND OF MAGICIANS

The term "Craft" is actually Freemasonry's admission
that magic is Witchcraft. The initiation ceremonies
into both are identical, except that Freemasonry
does not draw blood, but Witchcraft does.

By Patrick O'Carroll

The godhead of the Kabbalah is Gnostic-Dualist, i.e. it combines or "balances" good with evil.

Kabbalists believe that good will come from doing evil, and they believe in salvation through sin (this being the core profanity of Sabbatean-Frankism and of the hellish CHABAD).

Kabbalists seek to "alchemically change society."

For that reason, Kabbalists deploy black magic in all of their satanic rituals. Many naïve people claim that "magick" (Crowley's term for black magic) is a "medieval superstition".

However, the reality is the very opposite, as proved by stage-magicians who perform what the Bible calls "lying signs and wonders" and who are obviously using help from demons to pull off their tricks. More broadly, "Team Antichrist" regularly deploys (black) magic in what has become an obvious hallmark of the Age of Antichrist.

SOME SPECTACULAR CLIPS IN WHICH STAGE-MAGICIANS RELIED ON THE HELP OF DEMONS:

Here, magician Dynamo walked horizontally down a building (with the aid of demons):

Here, magician David Copperfield quite literally walked through the Great Wall of China (with the aid of demons):

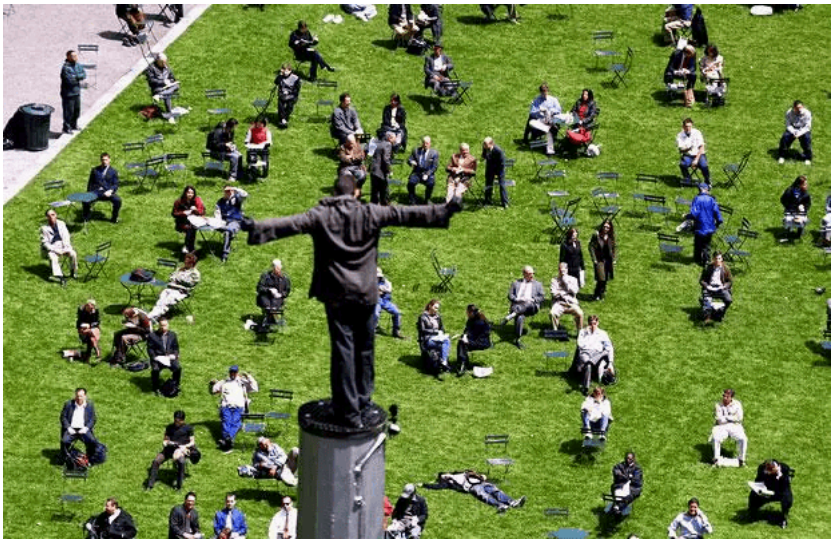
Here, magician Criss Angel walked on water (with the help of demons):

https://www.youtube.com/watch?v=rvk9N4PxU6U (https://www.youtube.com/watch?v=rvk9N4PxU6U)

Here, magician Special Head performed levitation in a NY subway car (with the aid of demons), although most of the startled passengers just fled in terror:

https://www.youtube.com/watch?v=4xqQnHyxc3Y (https://www.youtube.com/watch?v=4xqQnHyxc3Y)



2 Thessalonians 2:9 warns: "The coming of the lawless one will be in accordance with how Satan works. He will use all sorts of displays of power through **signs and wonders that serve the lie".**

Matthew 24:24 warns: "For there shall arise false Christs and false prophets and shall show great signs and wonders, insomuch as to deceive (if possible) even the Elect".

Matthew 24:11 warns: "And many false prophets shall rise and shall seduce many".

In the following long and detailed video, Traditional Catholic sedevacantist Brother Michael Dimond, of Fillmore NY, exposes several stage-magicians for very clearly using the spiritual assistance and intervention of demons:

https://www.youtube.com/watch?v=fIOnsE3TWWE (https://www.youtube.com/watch?v=fIOnsE3TWWE)

This is not "genius", but anecdotal evidence of the demonic, of the existence of demons, and of demonic activity.

Brother Dimond says: "I will provide overwhelming evidence that most of the top magicians, whether they know it or not, are possessed; and that they are certainly assisted by demons or fallen angels ... The spiritual assistance and intervention by demons is the only explanation for how the world's top magicians are able to do what they do ... MOST modern stage magic requires the spiritual assistance and intervention of demons".

In this 3.5-hour video, Brother Dimond shows and comments upon, among others, the following cases:

- David Copperfield walking through the Great Wall of China;
- David Copperfield provably teleporting from Memphis TN to Hawaii, and back;
- David Copperfield flying through the air without any cables attached;
- Doug Thompson putting out flames with his tongue, although the same flames can burn under water. On stage, he often starts with his notorious catchphrase: "I am your host, Demon, and welcome to hell");
- Very many cases of levitation;
- David Blaine bending prison bars;
- David Blaine sticking a needle through his upper arm, and then withdrawing it but leaving no wound;
- David Blaine putting his hand through the window of a jewelry store;
- David Blaine encased in a massive block of ice in Time Square NYC for almost 64 hours in Nov 2000;
- David Blaine standing on a pillar for 35 hours without a safety net in May 2002;
- Criss Angel getting possessed on stage;
- Criss Angel teleporting;
- Criss Angel levitating above the Luxor Hotel in Las Vegas NV;
- Criss Angel literally disappearing before multiple onlookers, and also making 100 spectators disappear;
- Criss Angel walking on water at Lake Mead near Las Vegas NV, and on London's River Thames;
- Cyril Takayama turning water into ice, and turning water into wine;
- Mike Super doing voodoo;
- Dynamo walking down a building;
- Dynamo walking on water;

- Dynamo pulling solid objects through his body, but leaving himself unscathed in the process;
- Dynamo bending his fingers in ways that are impossible without (demonic) supernatural assistance;
- Dynamo levitating before the statue of Christ the Redeemer in Rio;
- Shin Lim making things appear and disappear;
- Jibrizy confirming "Yes, I did sell my soul to do magic";
- Special Head levitating in a subway car;
- Many magicians wearing skull symbolism;
- Many magicians using or wearing the symbolism of the Eye of Horus. British Satanist Aleister Crowley regarded the Eye of Horus as the symbol of Satan and he even called Satan "The Eye";
- Many magicians risking their lives to "entertain", which is really a major abuse of God's Grace;
- Dutch magician Mirin Dajo passing needles through his body in 1945-48 until this went wrong. In May 1948, Dajo alleged that he was "instructed by voices" to eat a steel needle but then he abruptly died. Hence, says Dimond, the demons might kill off a magician who has served his Earthly purpose for them.
- Promotional posters with images of demons (indicating that magicians know the source of their powers).

In his 1923 book *"The Lost Keys of Freemasonry"*, Manly-Palmer Hall said Freemasonry makes use of magic or "magick" (black magic): "When the Mason learns that the key to the warrior on the block is the proper application of the dynamo of living power, he has learned the mystery of his Craft. The seething energies of Lucifer are in his hands and before he may step onward and upward, he must prove his ability to properly apply energy".

This comes as no big surprise since the term "Craft" is actually Freemasonry's admission that magic is Witchcraft. The initiation ceremonies into both are identical, except that Freemasonry does not draw blood, but Witchcraft does.

In his 1928 book "The Secret Teachings of All Ages", Manly-Palmer Hall admitted that, throughout history, magicians have sold their souls to the devil and, in return for special powers during their short time on Earth: "The visible universe has an invisible counterpart, the higher planes of which are peopled by good and beautiful spirits; the lower planes, dark and foreboding, are the habitation of evil spirits and demons under the leadership of the Fallen Angel and his Ten Princes ... By means of the secret processes of ceremonial magic, it is possible to contact these invisible creatures and gain their help in some human undertaking. Good spirits willingly lend their assistance to any worthy enterprise, but the evil spirits serve only those who live to pervert and destroy ... It is possible to make contracts with spirits whereby the magician becomes for a stipulated time the master of an elemental being ... True black magic is performed with the aid of a demoniacal spirit, who serves the sorcerer for the length of his Earthly life, with the understanding that, after death, the magician shall become the servant of his own demon. For this reason, a black magician will go to inconceivable ends to prolong his physical life, since there is nothing for him beyond the grave ... A man will barter his eternal soul for temporal power, and down through the ages a mysterious process has been evolved which actually enables him to make this exchange".

NOMENCLATURE CONVENTION FOR MAGICIANS: AN "ALCHEMICAL WEDDING" OF (5, 6) OR (6, 5)

Dimond does not mention the following frequent naming convention used by magicians for their own monikers.

An emblematic convention in esoteric circles is for magicians to codify their name **to "declare the magician",** by featuring an "alchemical wedding" between their first and second names. This means they feature 5 letters in their first name and 6 letters in their second, or else vice versa. Satanists honor 11 too as an "alchemical wedding" of the "sacred" hexagram with the "sacred" pentagram. So, these magician-names are unlikely to be "coincidental": Harry Potter;

Draco Malfoy; Mickey Mouse; Minnie Mouse; Emmett Brown; Walter White; Carrie White; Billy Shears; David Blaine; David Copper-Field; David Kotkin; Derren Brown; Ehrich Weiss; Jimmy Savile; etc.

Some "political stage-magicians" who used this nomenclature have included Donald Trump; Adolf Hitler; Josef Stalin; Jimmy Carter; Edward Heath; etc.

My 100% Norwegian grandmother didn’t like magic, fortune telling or sorcery at all when I was a youngster in the 1960s. I think she felt it was a way man replaces God’s Will with his own will. Her Christian thinking said that was a big no no. She also did not like us, her grandchildren, reading super hero comic books. I think she saw the main characters as attempting to replace the true God in saving Mankind. Another no no. (We learned to read them later when she was not around.)

Perhaps, we should give her take on these two topics further thought. Its not as innocent as we first think.

Re. that age-old connection, consistent through the ages and across cultures, if logic is the touchstone, no smoke without fire?

One of many excellent (IMHO) books on this is the first one Idries Shah published (at least under his own name), "Oriental Magic." Having studied magicians at first hand throughout Africa and the Middle East, his impression was that there is a neutral power which can be used for good or evil (white magic & black magic). I.e., that it is intrinsically value-free. As in, "A chainsaw doesn't care whether it cuts a leg or a log."

EJ said (August 10, 2025):

Much of life is about perspective. The child of wealthy parents with power sees life much different than the child of poverty. The educated man or woman understand the machinations of society, science, etc. much clearer then the uneducated.

In this case one has to believe that the stories presented in a book that took 900 years to complete with countless revisions and removal of parts at the whims of men are "true,” and the actual inspirational work of an invisible, un-provable creator of all things who seems to have the disposition of humans and not a true loving and forgiving prime creator.

Perhaps true believers should see magic stuff as a gift of God to keep people curious about the great mystery of life.

Satanic Hoax: Sex Religion Turns Men Into Boys

August 10, 2025

We get most of our information about life from Hollywood. Most of it is bogus.

"So long as the love, even the smallest, of man toward woman is not destroyed,
so long is his mind in bondage as the calf that drinks milk is to his mother." Buddha

My life was marred because sex and romance have replaced true religion.
I was brainwashed to believe that a woman would give me my Self.
(https://henrymakow.com/2017/12/immaturity-unspoken-epidemic.html)
Men are conditioned to impress women instead of God. I call this "transference."
Even at my age (75) I have a mental habit of seeking the approval of some imaginary woman. (I've given up trying to impress my wife!)
Men suffer from arrested development as a result of putting women on a pedestal.

This deliberate social engineering emasculates men, undermines marriage and imposes a spiritual bondage.

We are angels incarcerated in the bodies of apes. All our actions are motivated by a desire to return to God.
God is a spiritual dimension: Consciousness. Spiritual perfection. Ideal Bliss, Love, Truth, Justice, Beauty.

Cabalists are materialists who deny the existence of God. They believe we achieve transcendence (union with God) by having orgasms. Sexual intercourse is their sacrament.

Imagine if all those sappy love songs were hymns celebrating God? What a different world this would be. Guess who controls the music industry? Hollywood?

Romantic love substitutes love for a flawed and ultimately dull human being for Self love, which is the principle of our personal development.
All love is really love of God. Satanists have sold the lie that women are God. (https://henrymakow.com/2025/07/substituting-goddesses-for-god.html)

All true religion is love (worship, obedience) of God. Everything else is a flimsy stand-in.
The reason God is a dirty word is because Cabalists use romance and sex to displace God.
.

Van Morrison proves that great music can be written about love of God.

Whenever God Shines His Light (https://www.youtube.com/watch?v=--XE4CYGRSY)

Update from July 24, 2025

by Henry Makow Ph.D

I am 75 and have been married 24 years. Like most of you, I was inducted into a cult-ure that substitutes romantic love and sex for religion. Sex is mostly a physical and psychological function. Romance is usually a delusion based on lust. **The Bible was right! Women and sex can be traps for men!**

God is the principle of our moral development. If you don't believe in God, you don't believe in yourSelf.

We live in a society that is besotted with beautiful women and sex. This fetish substitutes for religion. Sex and romance are sold as a way of achieving unity with God. (https://www.henrymakow.com/kabbalah-how-sex-became-our-religion.html) The orgasm is the Holy Sacrament. This is Satanism.

The mystification of sex and women (sex Goddess programming) (https://www.henrymakow.com/2019/03/sex-symbol-programming.html) makes men impotent. Men are too weak to approach and enlist women who have been taught to be "strong and independent." E.g. Leslie Gore's *"You don't own me*" and Linda Ronstadt "*Different Drum."*

This combination of idealizing women and emasculating men has led to heterosexual breakdown, e.g. Illuminati social engineering. Femininity is based on trading power for male power in the form of love. **Real love is based on mutual dependence and trust, not sexual desire.**

People scoff when I say *Western society is a satanic cult.* However, the proof is obvious. The word "God" is banned from mainstream public discourse. In fact, we are repulsed at His mere mention. Our minds shut down. We become angry. We have been brainwashed to hate God and don't even know it.

If I were wrong, God would be on our lips. After all, He is the Creative Intelligence behind life. He has Instructions for us. We should be celebrating Him and discussing His Plan.

We can't mention Him because Cabalist central bankers have their own Plan. They want to be God themselves. Their entertainment is social engineering. This is why we have love songs to vacuous women instead of hymns to God.

While making a spaghetti sauce, I put on a collection of old Paul Anka hits.

Listening to the lyrics, it struck me: *If you imagine the love object is God, instead of some empty-headed girl with regular features, there's little difference between popular love songs and religious hymns, prayers and chants.*

We are all pilgrims and God (Love) is our Mecca.

I don't have to tell you that 97 percent of all popular songs are love songs. A visitor from another planet would conclude that our religion is romantic love. Francis Yockey called it "erotomania."

But instead of recognizing the real object of our desire, we have fixated on the opposite sex, whom

“ I detest love lyrics. I think one of the causes of bad mental health in the United States is that people have been raised on 'love lyrics'.
You're a young kid and you hear all those 'love lyrics', right? Your parents aren't telling you the truth about love, and you can't really learn about it in school. You're getting the bulk of your 'behaviour norms' mapped out for you in the lyrics to some dumb fucking love song. It's a subconscious training that creates desire for an imaginary situation which will never exist for you. People who buy into that mythology go through life feeling that they got cheated out of something.

we mystify and idealize to reflect our true sublimated desire.

I am not a Jungian, but I agree with Carl Jung's statement: "If you take away God, man will invent a thousand false ones."

They have taken away God. You can't mention the word in polite company. As if, given the magnificence of the universe and the complexity of the natural world, the concept of a Creator and a Design is so outlandish that it must be banned.

The people who want to replace God (with themselves) are responsible for our inability to mention or imagine God when it is so simple.

God is synonymous with our spiritual ideals and desires: truth, beauty, love, peace, bliss, justice, and harmony. So don't blame God for letting bad things happen to good people. Bad people are responsible, the same people who abolished God.

We are God's agents. If we don't bring about his Kingdom, it won't happen. Eventually, we'll all become extinct.

GETTING BACK TO LOVE SONGS

Next time you hear a love song, imagine it's about God. You will be surprised how well it fits.

"I love you with all my heart, we'll never part, please stay with me... (God)."

"I'm so alone. All I want is somebody to love"

"Show me, you love me too."

"I'm so lonely; I'm so blue, now that you're gone."

These lyrics remind me of Christian, Muslim and Hindu mystics pining away for Divine Grace.

We're religious zealots, just like them. All that's missing are the white robes. We don't pray five times a day. We listen to these prayers 50-100 times a day.

But we've taken a wrong turn. Instead of recognizing the true object of our desire, we are focused on the opposite sex. We are looking for a person to play the role of God.

Frankly, we've been misdirected. (Think who runs the music and movie business.) And, of course, lust is a confounding factor ...

(Every slut demeans all women.)

CONCLUSION

If we could just begin with the knowledge that God loves us, then we wouldn't have this desperate misguided need "for love" expressed in love songs.

"God loves you very much (your name here.)" And you love God for the precious gift of life...for the miracle of Creation.

We're never alone. God is our constant companion, a warm, glowing love at the centre of our being. Our primary relationship is with Him.

First Comment by V, on the effect of turning women from wives and mothers into sex objects -

From a female perspective, you've no idea how odious it was to be spoken about in the 3rd person by two men you are among who were blithely assessing your sexual merits right in front of you - this as a teen in the '60s. The constant comments about one's body, waist size, bust, frigidity or sexuality, type of clothes, makeup, hairstyle, etc. was nauseating. One was compared to the celluloid starlets & found short as well as with centerfolds & found insufficient - & this from Neanderthals. That the success of feminism followed all this is no surprise. (I was just for liberation, which was justice & totally resented the bunny thing. How men are into such cheap superficiality is beyond me.)

Maybe factor all this in your calculations about that movement and what women 'should' be for you & other men. Imagine if you, for e.g., were told you needed to look & act like Sean Connery, have the dance skills & charm of Fred Astaire, have the beguiling gentleness of Gary Cooper, the cooking skills of Escoffier, the abilities of McGuiver & the wealth of Midas all in one. And, of course, your hair & pants (skirt) length are never quite right & then there's that 10 lbs. always needed to be lost, plus more sit ups, etc. You would go mad. And all this for a meaningless 3 min. hump!

Some food for thought, Henry, from the other side. Anyway, it all rather ruined my life b/c I did seek spiritual love & a partnership of souls thru life, but men were oblivious to that then. Best, V

The creator God has given us freedom to choose. Man chooses to follow evil and satan. If he told everyone what to do, you would call Him a tyrant. That is satan's argument.

If you don't believe in God, do you be in satan and the pure evil we see everywhere? I think you do as you stated' this has taken place for thousands of years" In every nation, throughout generation after generation. The cosmic battle between good and evil must play out. This earth will be destroyed. For God is just.

If you don't believe in God, your religion must be evolution. Where nothing created everything and low intelligence continually creates higher intelligence. Have you ever studied how complicated DNA is and even "simple" cells?

God did lift His finger, and His whole body and gave up His only Son, Jesus Christ, to pay the penalty for all mankind's sin. None of us are righteous, no not one. Only through Christ's grace are we saved. Those who believe and repent shall inherit eternal life. The New Testament gives countless examples of individuals who witnessed Christ's resurrection. People throughout the ages that hear the truth are willing to die by evil men rather than recant their beliefs.

Eternal life is also granted, a free pass if you will, for all those abused children. They did not get to choose. Their suffering here is a very short time compared to living with God throughout eternity. God is Just and Merciful.

No one is there now. The bible says Christ's coming will be a worldwide event and the dead in Christ will rise first, then those alive in Christ will rise too. 1,000 years later, there is a second resurrection of unbelievers. All will bow down to Christ including satan, then they will be destroyed. They will not be "tortured" for eternity in hell. God is Just and Merciful.

Please study the New Testament. KJV. Your eternal life depends on it.

If God was constantly watching over us - why have hundreds of thousands of children been tortured and slaughtered for adrenochrome ?
This has taken place for thousands of years on an industrial scale.

Where has your God been for those children ?

Your idea of God is a fiction - it only exists in your mind.

Show me one time God has lifted a finger to help humanity.
Yes, just one. You can't, it never happened - ever.

You will not find God in the Bible. God is nowhere in the Bible. That is a fact.

Speaking of Muslim mystics...I first read the the FitzGerald translation of the Rubaiyat of Omar Khayyam 45 years ago. Even at the age of seventeen, something did not seem right to me. It absolutely did not sound like something a Muslim mystic would write...because it was not written by a Muslim mystic. Fitzgerald was an upper-crust Englishman, and his "translation" was so far from the real article, as to almost a different book.

It was only in 2004 that I read several translations by Persian translators. With background study, I learned that all the talk of love and wine were metaphors for God, and being drunk with the love of God. The Global Elite have a long history of turning all things pure and Godly into worldly things...and I say that as a Christian. I have not looked into the background of FitzGerald yet, but I'm pretty sure of what I will find when I do. Kris

Henry your right on target with this article. The reason the op works so well is 1. because during the 1900s we were educated to be useful idiots 2. became a world of narcissists that believe themselves to be 'god' 3. religion had messed things up enough to turn the masses away and even the gentler aspects of all groups were left without 'love of god'.....

The world pandemic is not Covid but Narcissism...

i was lucky, instinctively during my midlife i lived just as you noted, all love songs i heard were about GOD and my requiting GOD's love.....Looking at nature's beauty all around strengthened those feelings..

For now GOD's love is mostly unrequited, due as you note to the Satanic illuminated ones.

In the end GOD awaits us all.....

I enjoyed the article though I thought it might be missing one principle.

Women need the protection / strength of an authentic man. She is vulnerable when pregnant with child and nurturing her other young.

To be in harmony with nature women need to do what ever they perceive to be necessary to join with the "right" man. Is that not hormone-driven?

Unfortunately the society rulers are doing everything they can to disrupt this principle and interfere with and set women and men in conflict.

36 Master, which is the great commandment in the law?

38 This is the first and great commandment.

39 And the second is like, unto it, Thou shalt love thy neighbour as thyself.

40 On these two commandments hang all the law and the prophets.

Essel said (October 22, 2019):

Of course, this analysis is essentially accurate. Modern mass media have increased the strength of Masonic effectors, suggesting that the phenomenon is recent, but it is not so, in fact, it is as old as humanity forsaken by original sin. In the 19th century, masonry developed romanticism (= fiction), which already existed in the Middle Ages (e.g. the Arthurian novel), but did not have adequate means of dissemination.
More anciently, it is simply the phenomenon of idolatry that occurs on every page of the Bible. Idolatry consists in replacing the true God, demanding and jealous by a false god of human level. Let us think carefully about this: he is in fact idolatry only of himself. And atheism, which is not a reality but a hypocritical social positioning, is the finished form. We deny the existence of the true God by mouth, to replace him with creatures, first and foremost ourselves. But Jesus will destroy these false gods "by a breath of his mouth".

However, if we really want to deepen it, the question of human love between a man and a woman remains a very complex reality that cannot be reduced to the phenomenon described here. Men are contingent creatures and are weak, need sensitive comfort, and also a part of a dream. God, by incarnating Himself, knew all this and He precisely wanted to bring Himself to their level so that His teaching would be accessible to the audience. It can nevertheless be said that, to a certain extent, "romantic love", when controlled by a sound theological formation and authentic faith, not to forget the assiduous practice of the sacraments, which are precisely designed to give us what our native weakness deprives us of, remains a small indestructible component of authentic human love.

Hitler and Bormann Were Masonic Jewish Agents - The Smoking Gun

August 8, 2025

Hitler and Bormann, left.

After the war, Gen. Reinhard Gehlen, Chief of the West German Intelligence Agency, (BND), confirmed his wartime suspicions as Abwehr chief in Russia.

Martin Bormann, the second most powerful man in Nazi Germany, had been a "Soviet" spy, with Hitler's complicity.

Hitler was an Illuminati agent mandated to lead Germany into a catastrophic defeat in order to snuff out German nationalism once and for all, and make way for the Rothschild Communist NWO. (In WW3, Trump will apply the same strategy to the US.)

World War Two was the most egregious hoax in history, followed by COVID and the Cold War. All world wars are contrived by Freemasons on both sides. Trump, Putin and Satanyahu are Freemasons and members of Chabad, a Jewish supremacist doomsday cult that requires a "social catastrophe" in order to summon the Jewish antichrist. Organized Jewry (Rothschilds) engineer world wars to destroy Western civilization

(https://henrymakow.com/the_destuctive_principle_of_th.html) and kill "infidels" and people who reject Lucifer, incl. assimilated Jews.

Editor's Note- Longtime readers are familiar with this information but I repost as a reminder that the coming world war will be orchestrated like the last.

All world wars are designed to degrade and demoralize humanity to accept Masonic Jewish (WEF) tyranny. All political leaders are globalist traitors.

(Updated from March 16, 2017, July 14, 2019 & May 18, 2022)

by Henry Makow Ph.D.

In the past, I have presented evidence that Martin Bormann, the man who signed Hitler's pay check, was a Soviet i.e. Illuminati agent (https://www.henrymakow.com/002026.html) ; but I was not sure if Hitler was also a conscious traitor.

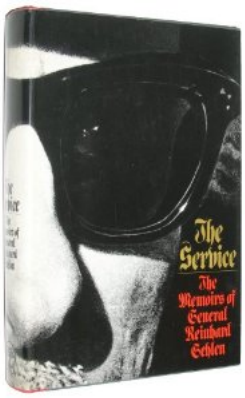
The testimony of General Reinhard Gehlen, Abwehr Intelligence Chief for Russia, indicates that he was.

In his memoirs, *"The Service"* (World Pub.1972) Gehlen says that he and Admiral Canaris, head of the Abwehr, suspected there was a traitor in the German Supreme Command.

Both had noticed that the Soviets were receiving "rapid and detailed information .. on top level decision-making."

They both suspected Martin Bormann, the Deputy Fuehrer and Head of the Nazi Party.

"Our suspicions were largely confirmed when, independently of one another, we found out that Bormann and his group were operating an unsupervised radio transmitter network and using it to send coded messages to Moscow.



When OKW monitors reported this, Canaris demanded an investigation; but word came back that Hitler himself had emphatically forbidden any intervention: he had been informed in advance of these *Funkspiele*, or "fake radio messages," and he had approved them" (p.71).

GEHLEN CONFIRMED BORMANN TRAITOR

Despite the fact that vital information continued to leak, Gehlen and Canaris left it at that. " Neither of us was in any position to denounce the Reichsleiter [Bormann] with any prospect of success."

In his book *"Hitler's Traitor"* Louis Kilzer estimated that Bormann (https://www.henrymakow.com/002026.html) was worth fifty divisions to the Soviets.

After the war, Gehlen, who headed the BND (West German Intelligence Agency) was able to confirm Bormann's treason. "During the 1950's, I was passed two separate reports from behind the Iron Curtain to the effect that Bormann had been a Soviet agent...' (p.70)

The fact that Hitler shielded Bormann confirms that he also was an active traitor. Both served the Illuminati (Masonic) bankers, i.e. the Rothschild syndicate, based in London. The Illuminati were also behind Stalin and Communism, not to mention Churchill, and FDR.

By fabricating war, the Illuminati wage war on humanity with the ultimate goal of a veiled world government dictatorship.

Think 9-11, "The Patriot Act," mass surveillance, lockdowns, "vaccines." Behind the veil of fighting "terror," they are constructing a police state. "They" are the central banking cartel, the real Deep State. The target is society as a whole.

HITLER'S DELIBERATE BLUNDERS

In the winter of 1941-42, Gehlen and fellow generals had concluded that the Russian campaign was doomed "not because it could not be militarily or politically won, but because of Hitler's continued interference, that resulted in such elementary blunders that defeat was inevitable." (98)

(Time Magazine's 'Man of the Year' 1938. The Illuminati created Hitler.)

Despite the fact that Hitler had covered for the traitor Bormann, Gehlen didn't come to the obvious deduction, that Hitler's "elementary blunders" were deliberate.

In his book, Gehlen details some of these blunders.

The General Staff wanted to concentrate resources on capturing Moscow. Hitler insisted on dissipating the effort on three fronts.

The General Staff saw that the Soviets were going to entrap the Sixth Army at Stalingrad, and demanded a strategic withdrawal. Hitler vetoed this and 200,000 of Germany's best troops (and irreplaceable weaponry) were killed and captured.

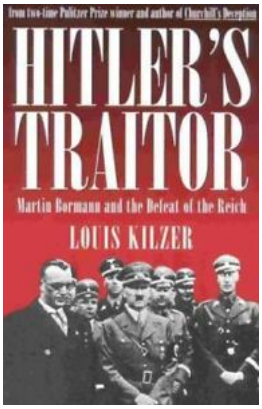
To replace these losses, the General Staff wanted to recruit millions of willing volunteers from anti-Communist ranks, i.e. Russians, Ukrainians, Lithuanians etc.

"After 20 years of arbitrary injustice and terror, the re-establishment of elementary human rights such as the dignity of man, liberty, justice, and the sanctity of property united every inhabitant of the Soviet empire in a common readiness to support the Germans." (81)

The Wehrmacht began to build a nationalist regime around the charismatic Russian defector, General Vlasov.

Indeed, such an appeal was Stalin's worst nightmare, according to his son, who became a POW.

"The one thing my father dreads is the emergence of a nationalist regime opposed to him. But that is a step you'll never take." Yakov told his Nazi interrogator. "Because we know you have not set out to liberate our country but to conquer it." (80)



Wrong. If Hitler's aim was to conquer Russia, he would have deceived the locals, and then crushed them later. Hitler's real aim was not to defeat Russia but for Russia to defeat Germany.

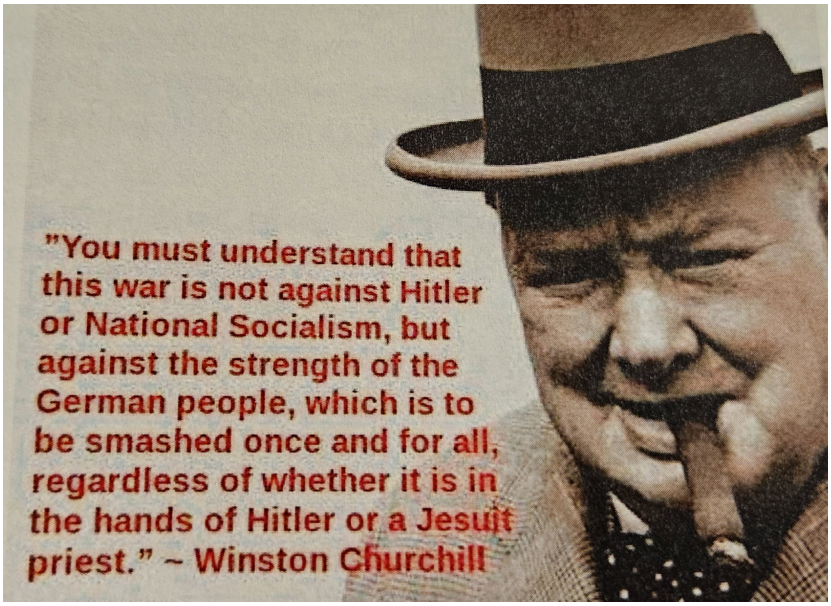
Hitler didn't try to deceive the Slavs about his genocidal plans for them, and instead of being welcomed, won their implacable resistance and hate. Stalin knew he could trust Hitler, a fellow Illuminati agent, to take a fall.

Similarly, if Hitler's real aim was to thwart the Jewish bankers, he would have invaded England not Russia.

World War Two was the most egregious hoax in history. A cult of satanic (Sabbatean) Jews and Masons, financed by the Rothschild syndicate, is responsible for destroying more than sixty million lives.

Hitler proved by his actions that he was a traitor. He was installed by the Illuminati to destroy Germany so that it would slip neatly into the NWO. Want proof?

Look at Germany today.



"You must understand that this war is not against Hitler or National Socialism, but against the strength of the German people, which is to be smashed once and for all, regardless of whether it is in the hands of Hitler or a Jesuit priest." ~ Winston Churchill

First of all, you cannot prove that Hitler's actions constituted a "shielding" of Bormann. You could just as easily conclude that for Hitler to forbid any intervention by Abwehr upon his being informed of fake radio messages that he APPROVED simply shows the level of deceit perpetrated on him by the Bormann group.

Your logic is seriously flawed by the lack of any empirical evidence PROVING Hitler's complicity

I have to disagree strongly.

Ghelen was writing after the war. He had no idea about the Ultra Intercepts, Enigma. He was right to be suspicious of Bormann. Ultra was giving Stalin the entire German order of battle. Bormann hung around Hitler like a bad smell, keeping people away. Indulging Hitler's fantasies of winning the war in his methamphetamine intoxication, administered by Dr Morrel. It makes sense he would be suspicious of Bormann.

Wilhelm Canaris has more credentials as a traitor.

Ultra lost Germany the war. Even knowing the entire German order of battle - times they would strike, where and when - the Soviets still barely hung on.

Hitler was a brilliant armature tactician. The Soviets had 30,000 armoured vehicles on or near the border. Stalin was set on a June 1942 invasion of Western Europe. Hitler, with great daring and great risk, almost pulled off the most brilliant military maneuver in history.

After Stalingrad, mid 1943, the German Army on the retreat, moral at its lowest, General Von Manstien pulled off the most brilliant military armoured maneuvers in history and stopped the Soviet juggernaught dead in its tracks. Why was he able to do this? Because he turned off his radios and refused to relay information to Hitler. Ultra was useless. The Soviets were blind and we're slapped to a stop. The gigantic battle of Kursk followed a few months later.

Hitler never believed the pact between Communist Russia and the capitalist west could hold. He deliberately notdenuded the eastern front and went after the allies, believing there some peace they would come to. But they didn't. Hitler had failed to follow orders. Germany paid.

Saddam failed to follow orders. Iraq paid.

The ayatollahs may well be failing to follow orders. Iran may well be going to pay.

Will Trump follow orders?

James C said (March 17, 2017):

To posit Hitler as a warmonger is an egregious lie put forth by the real warmongers, FDR, Churchill, and Stalin. It is contrary to voluminous documentary evidence illustrating that the last thing Hitler wanted was war. The facts of the matter are that the Jews declared war on Germany in 1933, and that Hitler did everything in his power to avoid war, even to offering to come to England's defence if necessary. The Germans could have annihilated British and French troops at Dunkirk, but Hitler would not allow it. The soviets burned Neville Chamberlain in effigy after the Munich Agreement. That's how much the Communists wanted war. In my opinion, the following statement is historically untenable:

"Hitler was an Illuminati agent mandated to lead Germany into a catastrophic war where German nationalism would be blunted once and for all. World War Two was the most egregious hoax in history."

World War II was indeed the most egregious hoax in history, but definitely not for the reason you suggest.

Gintautas Paluckas DEMONSTRATES THE MASONIC HANDSHAKE WITH THE PM OF KOSOVO
(Who twists their thumb down like that? Freemasons do. Politics is a charade. Politicians are all Freemasons.)

Mike Stone shares some anecdotes from a friend's visit to Lithuania.

Mike Stone
(henrymakow.com)

A good friend of mine recently returned from a three week trip to Lithuania, and he gave me a full report on everything that's going on there.

For starters, the country's Prime Minister Gintautas Paluckas was in the news and finally forced to resign in disgrace over some shady business dealings. (ttps://www.nytimes.com/2025/07/31/world/europe/lithuania-prime-minister-steps-down.html)

Paluckas, leader of Lithuania's Social Democrats, is a flaming leftist with a long history of corruption.

When Paluckas was the administrator of the capital city of Vilnius in 2012, he was convicted of purchasing rat poison at inflated prices and sentenced to two years in prison. The sentence was suspended on condition that he pay a fine of $19,000, but Paluckas never paid the fine and never spent a day in prison.

You'd thinlk that someone with this resumewould not be elected President!

SEND THEM BACK

The Lithuanian people are sick to death with all of the Ukrainian refugees. In his words, "Lithuania was glad to help at first, but after three years they've had enough."

The Ukrainian men are almost all military-aged and they are hiding in Lithuania to avoid serving their country.

In a way, I don't blame them. If your nation had a pint-sized, coke-snorting leader who picked a fight with Russia, would you be in a hurry to fight the war he started? I wouldn't be. Especially after the Trump administration was all set to end the war until the Ukrainian dictator Zelensky reneged on his part of the deal. Who in his right mind would want to fight for a guy like that?

Meanwhile, the Ukrainian women that Lithuania has taken in have started prostitution rings!

Haven't we heard that before? Hasn't every country that's taken in Ukrainian refugees complained about the women starting prostitution rings?
Is that all Ukrainian women know how to do?

Lithuanian women were the most adamant about taking in refugees from the Ukraine. But now that the Ukrainian women have shown themselves to be hookers, it's Lithuanian women who hate them the most and want to see them deported.

Makes sense. Women in general hate prostitution. When men are able to pay for sex, no strings attached, it lowers the value of women who use sex to get attention and manipulate men. So naturally the women of Lithuania want to send those harlots sent back to the Ukraine where they came from.

You can imagine the uproar that would take place if the same thing happened here.

Low-IQ liberal White women would be marching in the streets demanding their deportation. (Just wait till robot women are inexpensively priced and available for mass distribution. You will witness a revolution of epic proportions, the likes of which the world has never seen.)

Through it all, the Lithuanian media is portraying refugees from the Ukraine as deserving of compassion and willing to do the jobs the Lithuanian people don't want to do. Sound familiar?

Another thing my friend told me, which I found interesting, was how much smarter children were in Lithuania, compared to the U.S. He described a conversation he had with an eight-year-old that sounded like two adults talking. It speaks to the deliberate dumbing down that our country's education system has done to our most vulnerable citizens.

It is glaringly obvious that Trump is a blackmailed Mossad agent, pedophile, sexual predator
and child sex trafficker.

The implications are so terrifying Americans take their cue from the ostrich.

Implication #1 - The US has committed billions to Israel's war against Iran and is complicit in the worst genocide of this century. This is being done by a Mossad agent, Donald J Trump.

Implication # 2 - Ghislaine Maxwell's transfer to a cushy prison signals that she has agreed to whitewash Trump's role in the Trump-Epstein international sex trafficking and blackmail scheme. Giselle and Trump are both predators. If the DOJ wanted the truth, they'd talk to their victims.

Maxwell allegedly told Mr Blanche she had no evidence that would incriminate Mr Trump, sources familiar with the conversation told ABC News.

Reader- What would AIPAC do??

The European globalists (Rome) now know the Zohar screenplay. They know that the kabbalists are trying to engineer "Gog & Magog Part 3", which must involve the destruction of:

1) Europe, via war between Russia & NATO
2) the USA, via war with Iran.

The only feasible and logical thing for Rome to do is to try to end the religious delusion that is driving it all. But how?? By destroying the Zionist state.

Judaism has walked a 2,000 year circle.

IDF began storing millions of phone calls per hour in Gaza and West Bank 2 years prior to Oct. 7th attacks
By tut editor on August 7, 2025

New report shows how Unit 8200 created a system based on a Microsoft platform allowing the storage of millions of Palestinian call recordings for analysis and military planning.

https://theuglytruth.xyz/idf-began-storing-millions-of-phone-calls-per-hour-in-gaza-and-west-bank-2-years-prior-to-oct-7th-attacks/ (https://theuglytruth.xyz/idf-began-storing-millions-of-phone-calls-per-hour-in-gaza-and-west-bank-2-years-prior-to-oct-7th-attacks/)

"Microsoft CEO Nadella reportedly gave his backing to the plan, which led to the creation of a powerful new surveillance system. By 2022, Unit 8200 was storing recordings of millions of daily

mobile phone calls made by Palestinians in Gaza, Judea, and Samaria within Azure's near-limitless storage infrastructure.

This system has been used to support Israeli military operations, including identifying targets for airstrikes. Interviews with Microsoft insiders and Israeli intelligence sources, alongside leaked internal documents, confirm that the project stored vast quantities of raw communications data, including audio recordings.

Unable to meet its data needs with internal servers, Unit 8200 turned to Microsoft to handle what officers called a 'revolution' in surveillance capacity. Internally, the scale of the project was summed up by a mantra: 'A million calls an hour.'

Apart from the Ostrich, Americans play stupid like the opossum

Grok 3- "Several animals use thanatosis, or playing dead, as a defense mechanism to deter predators. Here are some notable examples:Opossums: The Virginia opossum is perhaps the most well-known for this behavior. When threatened, it may involuntarily enter a catatonic state, lying limp with its mouth open, tongue out, and emitting a foul odor to mimic a corpse, discouraging predators.

Beyond playing dead (thanatosis), opossums may drool, emit foul odors, or appear disoriented when threatened, enhancing the illusion of being sick or unappealing. This could be interpreted as "stupid" behavior, but it's a survival tactic to repel predators that avoid diseased prey."

OpenAI CEO Sam Altman Pitches Eyeball-Scanning World ID to Bankers

In Altman's world, the AI that broke authentication is the same AI that now demands your iris.

During a US Federal Reserve conference focused on banking regulation, Altman framed his biometric identity project as essential for navigating a world where digital fraud is growing rapidly.

He argued that most authentication systems have already been rendered ineffective. "AI has fully defeated most of the ways that people authenticate - all of these fancy, take a selfie, wave, or do your voice or whatever," Altman said. He added, "I am very nervous that we have a significant impending fraud crisis.

Watching this biography of a great musician, my Jewdar started going off. I was right! He is Jewish. Why are so many talented people Jewish?
Yes, a lot of Jews are evil and stupid but Jews are also disproportionately represented in the ranks of great geniuses.
We can't attribute this to networking. Think the Gershwins, Irving Berlin and Artie Shaw. Yeah many Jews are parasites (i.e. bankers)
but many I know work very hard.

I can't understand how people so smart can be so stupid as to let religious fanatics speak for them and jeopardize their security.

If the above is true, our democratic republic is another hoax. It's not an election but rather a selection of one dud over other duds by the real bosses.

Wasn't the Washington football team looking for a new name? Opossums might fit.

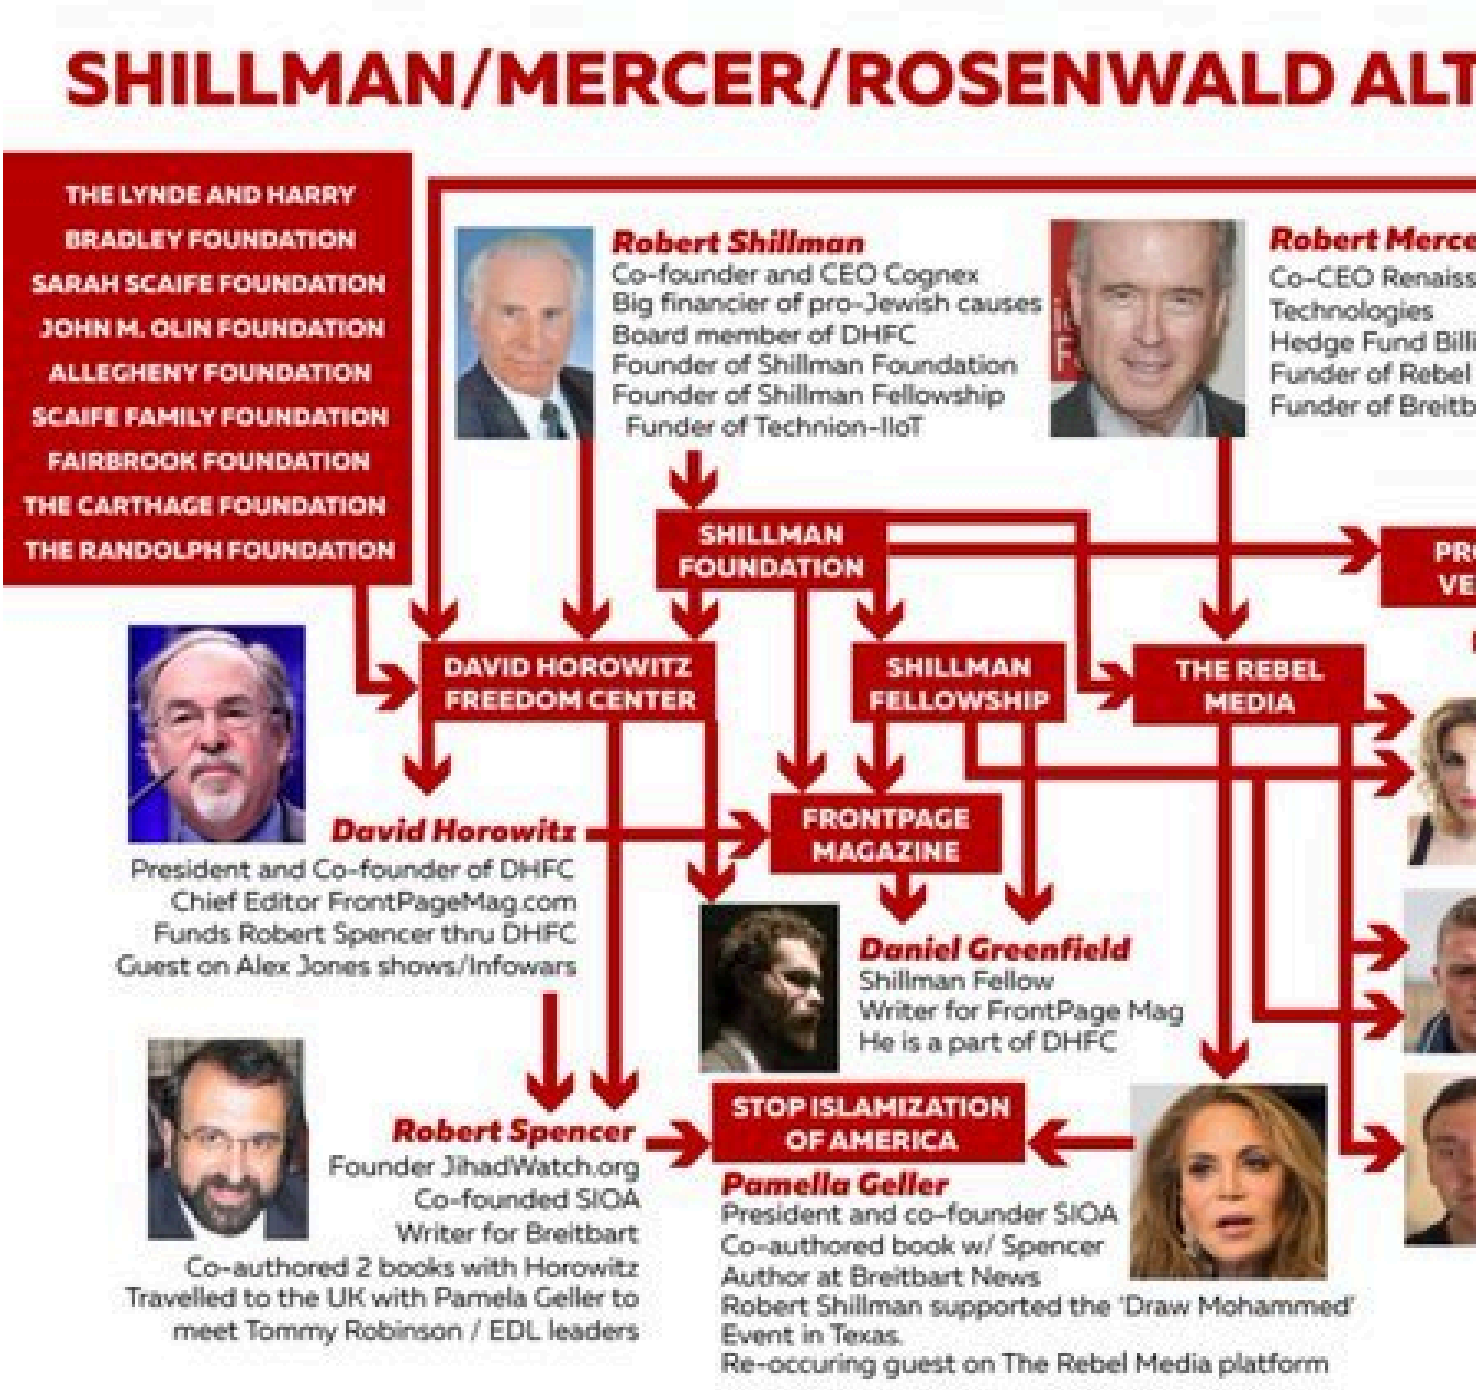
I worked as an Information Officer, in the Federal Election on April 28, 2025. I was at the - Dr Knox Ecole /School- Polling Station in Kelowna BC from 5:45 AM until 8:30 PM .

I want to put in writing what I witnessed:

1- Numerous voters , at least 50%, asked if they could use their pen, that they brought to vote. I said YES.
LATER- after the polls closed, I was then asked to, do the Tally. (Record the choice of vote on the ballot) As the Deputy Returning Officer called out the Name of The Candidate selected, I was to record it.

I noticed, None Of the ballots were in Pen. Only pencil. I know for a Fact, I sent most voters, that had a voting card, to desk # 17.



The total of votes tallied at desk #17 were the most of any other desk in the Polling Station. I asked my DRO why none were in pen. No answer offered.
These ballots were then put in an envelope and sealed. My signature is on record as I tallied the total.

2- I noticed many voters turned away that had proper ID. I talked with many to ask why they were refused as these voters were very upset and felt very concerned that they were refused. It turned out that an ENTIRE APARTMENT BUILDING on Valley Road was missing from Elections Canada Information. Meaning none of the residents had voter cards. Without the cards they needed to provide valid ID. Without PROOF OF The Building Existing, none of the occupants could vote, even with valid Passports, Drivers Licenses, morgage docs, rental agreements, bills ect. It was mindboggling to watch these people turned away. I brought each person to the supervisor to help them vote and the Supervisor said there was nothing they could do without without Election Canada approval.

3- Election Canada was not accessible most of the day. By the afternoon, no supervisor or senior officers could get through for any verification.

4- over 60% of voters were under 35 at this location. There were a handful of 70 year old and up. This was remarkable to see such a massive amount of youth. I lost count of how many youth told me it was their 1st Time voting Federally. I asked for stickers or anything to hand out. There was nothing for 1st time voters or children attending with parents.

5-One other Information Officer informed me, his wife was working at the head of Elections Office in the Landmark Building where all the Special Ballots were. These ballots were done very early and you wrote the Candidate name on the ballot. This was done for weeks. Other specail ballots are the mobile voting and mail in votes, ect. The ballots were not precounted. I spoke with this man after the polls closed and after we tallied to ask if his wife's still counting. He said they did not finish yet and that there was approximately 20,000 ballots. STRANGE that Kelowna called out a winner without that many ballots counted.

6- Many voters spent the day going from Polling Station to Polling Station trying to vote because the Election Canada website was not working so no one could troubleshoot all these oddities with missing voters cards and locations of Polling Stations based on the address of the voters.

7- I can assure all Canadians what I saw in only 1 poll would have a difference in the outcome of this riding. When an entire apartment building is missing, that is not a simple insignificant issue . Hundreds of voters are not counted and that will change the outcome of elections.

My experience is of only 1 poll, in 1 riding, in 1 city, in BC . If it happened here I'm safe to understand it happened in other places. That is one of endless reasons that Elections Canada was not reachable or web sites working for most of the day.

Very clear interference in the Voting Of eligible Voters witnessed today.

Manitoba Needs a New Conservative Party
(https://www.facebook.com/100088442083883/posts/661887870102610/?rdid=ojfHkB0IcORnZKON)

The Manitoba Progressive Conservatives are in freefall -- and it's no accident. Once a party grounded in personal freedom, fiscal responsibility, and common sense, it has

abandoned its roots to chase the approval of special interest groups, lobbyists, and political insiders.

The recent leadership race was a disaster that confirmed the rot. Instead of learning from the elitist failures of the past, the party doubled down. Only 10,990 memberships were sold -- nearly half of the previous race. Just 6,750 ballots were returned. Wally Daudrich won the popular vote with 3,387 votes to Obby Khan's 3,334 -- a clear one-person, one-vote victory. But the PC establishment had already stacked the deck with a manipulated "points system," allowing Khan to seize victory by weighting small ridings heavier than large ones. In places like Steinbach, Daudrich's strong showing was diluted. Meanwhile, Khan's wins in low-turnout ridings like The Maples translated directly into points.

Even Premier Wab Kinew could see it coming. The fix was in.

The will of the membership was thrown aside in favor of what insiders wanted. The result? A deeply divided party, rapidly shrinking, financially strained, and morally compromised.

The scandals continue to pile up.

• Over $2 million in consulting contracts were quietly funneled to the PC's failed campaign manager, Marni Larkin, through daycare projects while the PCs were in government.

• The son of a major PC fundraiser was handed multimillion-dollar daycare construction contracts without competitive oversight.

• A campaign "car rental" expense turned out to be a hidden payment to a known sex coach.

• The Integrity Commissioner's pending report into the Sio Silica project looms over the party, with serious questions about attempted fast-tracking after electoral defeat.

• Now, the party's newly installed leader, Obby Khan, faces a $400,000 lawsuit from a former business partner alleging financial wrongdoing.

At the same time, the PCs -- led by figures like Khan -- are increasingly paralyzed in the face of street-level violence and campus protests where hatred toward Jews is openly displayed. They cannot -- or will not -- forcefully condemn the violent, hate-filled ideology taking root, because political Islam now lurks just beneath the surface of their new coalition.

This is no accident. Political Islam, dressed as a religion, has destabilized the Middle East and Europe -- and now it's creeping into Canada. It does not coexist with Western freedoms. It seeks to dominate them. And with figures like Khan at the forefront, the Manitoba PCs have placed themselves on the wrong side of history, unable to defend the very principles our civilization was built upon.

Unless the Manitoba Progressive Conservatives return to true conservative values -- courage, accountability, and loyalty to the people, not the elites -- they will not just lose power. They will lose their soul.

For true conservatives -- for those who still believe in protecting our freedoms, in honest leadership, and in standing unapologetically for the people -- there is a better choice: the Keystone Party of Manitoba.

The Keystone Party represents the future that the PCs abandoned: a movement built not for lobbyists or insiders, but for ordinary Manitobans who are tired of being sold out. It is the home for those who will no longer tolerate corruption, ideological drift, or moral cowardice.

If you believe in real conservatism, if you want real leadership with real accountability -- then it's time to walk away from the broken PC establishment and build something better.

It's time to come home. It's time to build Keystone.
